

PRELIMINARY SAILBOAT SPECIFICATION

Design: Andrej Justin
Production: Prel.ex d.o.o., Ljutomer
Sales: Cleanport d.o.o., Izola

LOA:	9,99 m	I:	12,75 m
Beam:	3,16 m	P:	13,40 m
Draft:	2,30 m	E:	4,10 m
Displacement:	1.790 kg	J:	3,70 m
Keel:	950 kg		

APPLIED MATERIALS AND TECHNOLOGY

Hull deck and inner moulds all built in sandwich construction from carbon fiber and epoxy resin with use of vacuum infusion. Hull and deck painted with Sikkens paints (various colors available, hull and deck can be different), interior in white topcoat.

KEEL

Boxed steel frame enclosed in a hydrodynamic polyester coat.
 Lead bulb 800 kg.

RUDDER

Aluminum compound rudder shaft, koterm bearings x 2
 Polyester rudder blade, filled with foamed resin
 Composite material tiller, tiller extension Ronstan

MAST AND RIGGING – SELDEN

Fractional rig (7/8), Al. profile C	Swept spreaders (21° backwards) x 2
Keel stepped, length: 16,2 m	Top spreader (jumper) x 1
Adjustable T- mast base	Standing rigging: bowden
Long mast head + backstay flicker	Running rigging (dynema): mainsail, jib, spinnaker
Al. boom with 2 reefs	

BOWSPRIT

Retractable, from composite materials
 Length 1,5 m (complete length 2,5 m)

ENGINE COMPARTMENT

Retractable outboard engine mount	Automatic draining system
Self closing through hull hatch	Electric blower

DECK EQUIPMENT

Pulpits and lifelines	Bow	1 opened
	Stern	2
	Stanchions (removable)	8
	Upper lifeline	4mm
	Lower lifeline	3mm
Mooring cleats	Aluminum, sinking	4
Deck hatch	Sliding, composite materials	1
Cockpit	Foot bracing in cockpit	4
	Built in stowage for ropes in cockpit	2

DECK GEAR

Winches - Harken	Secondary Winch B32.2A	2
	Primary Winch B40.2	2
	Handle B10AL	2
Clutches - Spinlock	Triple clutches, black	2
	Triple organizer	2
Blocks and Cleats - Ronstan	Mainsail system	
	Series 75 ratchet fiddle block, adjustable cleat	1
	Series 70 Orbit single block	2
	Series 55 Orbit fiddle block, becket, adjustable cleat	1
	Series 55 Orbit fiddle block	1
	Genoa system	
	Series 22 Track, Black, 1996 mm M6 CSK fastener holes. Pitch=100mm Stop hole pitch=50mm	1
	Series 22 Sliderod Genoa Car, 125mm, Plunger Stop	2
	Series 22 End Cap, Plastic, 30mm x 27mm	4
	Large 'C-Cleat' Cam Cleat Grey	2
	Genaker system	
	Series 70 Orbit single block	2
	Series 70 Orbit single ratchet block	2
	Medium 'C-Cleat' Cam Cleat Grey	2
	Vang system	
	Series 50 BB Block, Single	1
	Series 30 BB Block, Single	3
	Series 30 BB Block, Double	1
	Swivel Fairlead, Cleat, 3-12mm Rope, option RF60	2
	Mast base blocks	
	Series 70 Orbit single block	3
	Series 55 Orbit single block	3
	Backstay system	
	Series 50 AP Block, Single Loop Top flying block	1
	Series 30 BB Block, Double 2nd cascade	1
	Series 30 BB Block, Single 2nd cascade aft, bottom	3
	Medium 'C-Cleat' Cam Cleat Grey	2
	Medium Saddle S/S Strip, Suit 'A,T&C' Cam, Black on above	2

INTERIOR

Six berths	Prearrangement for a kitchen
Floor panels	Prearrangement for navigation desk

ELECTRIC EQUIPMENT

Battery 55 Ah
Instrument panel
Navigation lights
Cabin light
